

## CHRISTOPHE BLOCKEEL BIOGRAPHY:

Christophe Blockeel graduated at the University of Ghent, Belgium in 2000 and became a specialist in obstetrics and gynaecology in 2005. He has worked in the field of infertility for several years, his main interest being reproductive endocrinology. He published his scientific work in peer-reviewed journals and lectured at many international meetings. In 2008, he was recognised as a subspecialist in reproductive medicine and surgery by ESHRE and the European Board and College of Obstetrics and Gynaecology. Dr. Blockeel obtained his PhD thesis entitled 'The optimisation of the follicular phase in GnRH antagonist cycles' in 2012 and became professor at the Free Brussels University the same year.
